

Dear Dower

I hope everything is well by your side, as it is with me I even pass, now I am in grade 11. I thank God for helping me to focus in my school work.

I write this letter to say thank you for everything you have done for me this past years. You have given me an opportunity to study and that will make me to become an successful person in life. So that one day I can do everything you have done for me, to other people's children.

I want to tell you also about the things that I'm doing at school, at school I'm singing in the in the school choir, I like singing as it is my ambition not to mention passion. I also sing in church, God has bless me with a voice that's why I must use it to worship him. I also do drama at school.

This year is a good year for me because everything is going well for me, at school I am still doing well god is helping me, even to does subject that ~~at~~ I did not do well to them I am trying my best on them. I thank God for that.

I want to say keep up the good work that you are doing to us. God will reach out for your needs. God bless you

Thank you
